It seems that the seat of war in Jackson has been shifted some what and is now located in South Jackson. The latest fight took place on Saturday evening last when Robert and John Hargis engaged in a difficulty with Jim McAllister in which McAllister was awarded a very black eye and a shapelessly swollen lip, being struck with a rock weighing about four pounds from the hand of Robert Hargis. They were brought before Police Judge Cardwell on Monday morning which resulted in a hung jury. In the afternoon they were retried and this time the jury agreed and fined them ten dollars each.

New Standard DINING CARS FOR

World's Fair Traffic VIA

SOUTHERN RAILWAY.

On account of the popularity and greatly increased patronage of the SOUTHERN'S ST. LOUIS SPECIAL (Train No. 24) which leaves Lexington daily at 8:10 a.m. and Louisville at 9:00 a.m. for St. Louis, the SOUTHERN RY. has found it necessary to put into service magnificent new standard dining cars, which will provide service superior to any railroad in this section of the country.

The arrival time of this splendid train at St. Louis is 4:30 p.m. daily this being the fastest train via any line from Lexington, Louisville and intermediate points to St. Louis.

This is very important news to all of the people of Indiana and Kentucky who live in the portion of those states penetrated by the SOUTHERN RAILWAY. All meals enroute through those states are served a-la-carte on these trains. The spacious and comfortable dining cars will attract still greater patronage this road.

These trains stop only at the principal points between Lexington, Louisville and St. Louis and have been conspicuously popular with all first class travel enroute to the World's Fair. The most satisfactory way to appreciate the advantages of these trains is to compare with the appointments of cars on any other railroad operating into St. Louis.

The Exposition is now complete in every detail, presenting a picture too beautiful to describe. The Generality of people from far distance who have delayed their visit for this completion have now begun to move so that the finishing touch which the SOUTHERN RAILWAY has put upon its already superb train service is very timely and will doubtless be sincerely appreciated by the public generally.

THE SOUTHERN is many miles the shortest road from Lexington and Louisville and intermediate points to St. Louis.

One guess may mean a fortune to you

RELATING TO AFFAIRS IN THIS AND ADJOINING STATES.

Kentucky Belle Under Arrest in St. Louis—Stenographer Found With Throat Slashed—General Buckner Improving—Other Mention.

St. Louis, Aug. 1.—A vivacious Kentucky belle, Miss Dottie Dixon, 21, of Pickard, Ky., stylishly dressed and wearing a suit of diamonds and other jewelry, is a prisoner at the Four Courts. She is charged by Mrs. Marion Brown of Sumner, Tex., with having stolen the latter's handbag, containing \$1,000, at a luncheon station. Mrs. Brown says she was passing through the Midway when accosted by the maiden from Kentucky, who snatched her satchel and walked away, seemingly unconcerned. She searched the station for a policeman but found none, and in the meantime Miss Dixon had disappeared. Later she saw Miss Dixon, she declared, with her satchel. Members of Southern Families. New York, July 29.—A few hours after the discovery in Westchester creek of the body of Joseph Hammett, a private of the Eighteenth regiment, United States army, stationed at Fort Schuyler, Corporal Richard M. Spencer of the same company was placed under arrest. The nature of several wounds on the body indicate that Hammett was murdered. According to officers of the regiment, both men were members of wealthy southern families and close friends. Hammett, the officers said, was a son of a wealthy planter of Nashville, Tenn. Spencer is said to be the son of a wealthy Kentuckian. The two men had been much in each other's company during their two years' service in the regiment. Spencer was detained awaiting action by the coroner. He is not charged with the murder, but is held in connection with the case.

Work of an Enemy. Louisville, Ky., Aug. 1.—Charles Norris, residing near Jeffersonville, found a spreading viper, three and a half feet long, fastened to the gate by a nail drawn through its tail and left with its head on a line with the latch. Had Mr. Norris not been warned by a neighbor it is almost certain that he would have started to open the gate without seeing the snake, when the reptile, which was angered by its imprisonment, would have sunk its fangs in his hand. The bite of the viper is exceedingly dangerous. Mr. Norris killed the snake. He suspects an enemy.

Mystery Cleared. Evansville, Ind., Aug. 1.—Mrs. Thomas Littlepage, wife of a wealthy farmer in Henderson county, Ky., who mysteriously disappeared July 8, has been located in East St. Louis. On the day she left home Mrs. Littlepage went to Henderson, presumably on a shopping trip, and while there drew \$300 out of the bank. The husband of Mrs. Littlepage has received a letter from his wife saying she is comfortably located and that she wants to remain forever free. She asked him to consent to a divorce and to send her all her belongings.

Inspection of Books Refused. Louisville, Ky., Aug. 1.—The Illinois Life Insurance company has with drawn from Kentucky. The step was taken voluntarily following a demand made by the state insurance commissioner for permission to inspect the company's books. The demand was refused. A large number of policyholders are affected by the company's action, which leaves them without the protection of the insurance laws of the state in which they reside. The number of policyholders affected is estimated at nearly 100,000.

Was Murdered. Hindman, Ky., July 29.—The body of Taylor Hayne, 71, was found at the Collins distillery. He is said to have been addicted to drink. Hogs had eaten away one side of his face, but a fracture of the skull and other wounds could not have been inflicted by the hogs. The body showed evidence of having been terribly beaten with clubs and rocks. Silas, Jasper and McClain Collins, three sons of Robert Collins, the distiller, have been arrested charged with the murder.
